## Community Connectors Kick-off Events

In his 2014 State of the State address, Gov. John R. Kasich outlined a new proposal to bring together families, community organizations, faith-based groups, businesses and others in support of our schools and to mentor students. Community Connectors provides \$10 million in 3-to-1 matching grants that will help give more Ohio students access to role models who can help motivate and inspire them, as well as help them develop skills that lead to success in school and the workplace.

Please join the Ohio Department of Education and local community leaders as we launch this very meaningful initiative toward a brighter future for all Ohioans! You will be able to learn more about the application process and ask questions.
